Dear Shareholders,

We would like to inform you that the board of directors (the **Board of Directors**) of CREAND SICAV (the **Fund**) has decided to merge the Sub-Fund “Spanish Value” (the **Merging Sub-Fund**) with the Sub-Fund “Active Allocation Equity” (the **Receiving Sub-Fund**), all being the Sub-Funds of the Fund (the **Merger**), with effective date on 22 December 2023 (the **Effective Date**).

On the Effective Date all assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund. The Merging Sub-Fund will cease to exist as a result of the Merger and will be dissolved on the Effective Date without going into liquidation.

The purpose of the present notice is to provide you with the essential information on the Merger so you can make an informed judgment on the possible impact of the Merger on your investment.

Shareholders who agree with the changes described in this notice do not need to take any action.

Should you disagree with the proposed Merger, you have the right to request free of charge the redemption of the shares you own in the Merging Sub-Fund or Receiving Sub-Fund from the date of this notice until 14 December 2023 at 2:00 p.m. (ultimate date and time of receipt of the redemption request) (the **Expiration Date**).

1 TYPE OF MERGER AND IDENTIFICATION OF THE UCITS INVOLVED

1.1 TYPE OF MERGER

The Merger consists in the absorption of the Merging Sub-Fund by the Receiving Sub-Fund, in accordance with the terms of article 1 (20) a) and Chapter 8 of the Luxembourg law of 17 December 2010 on undertakings for collective investment (the **UCI Law**). The Merger will entail the transfer of all the assets and liabilities of the Merging Sub-Fund to the Receiving Sub-Fund at the Effective Date in exchange for the issue of shares in the Receiving Sub-Fund.

Shareholders who have accepted the Merger (the **Merging Shareholders**) will receive in exchange of the shares they hold in the Merging Sub-Fund, shares in the Receiving Sub-Fund.

1.2 IDENTIFICATION OF THE MERGING SUB-FUND, THE RECEIVING SUB-FUND AND THE FUND

The Merging Sub-Fund and the Receiving Sub-Fund are sub-funds of the same umbrella UCITS identified below:

Name	CREAND SICAV
Legal form	Investment company with variable capital (SICAV) in the form of a public liability company (<i>société anonyme</i>)
Management Company	MC Square SA

2 CONTEXT AND MOTIVATION OF THE MERGER

The Fund, which includes the Merging Sub-Fund and the Receiving Sub-Fund, is a UCITS product promoted by the group Creand.

The group Creand has reviewed its current line of fund offering and wishes to effect the Merger to operate a strategic restructuring of the equities range within the Fund. The Merger shall have no major impact on the Merging Shareholders apart from the change of the investment policy which seeks to accommodate the features of the strategies of the Merging Sub-Fund while aiming at generating better prospects of growth for the investors through the investments in a broader range of assets.

Finally, the Merger will offer economies of scale to the investors through the rationalisation of the range of Sub-Funds within the Fund.

3 FORESEEABLE IMPACT OF THE MERGER

3.1 IMPACT ON SHAREHOLDERS OF THE MERGING SUB-FUND

Upon the Merger, shareholders of Class A, Hedged Class B1, and Class C of the Merging Sub-Fund will receive new shares in respectively Class A, Hedged Class B1, and Class C of the Receiving Sub-Fund.

Given the similarities of the investment policy of the Merging Sub-Fund with the Receiving Sub-Fund, there will be a limited portfolio rebalancing for the Merging Sub-Fund.

Upon the Merger, the investment policy, the performance fee and the reference benchmark for the calculation of the performance fee, the risk factors, the criteria of eligible investors, the cut-off time for payments of subscriptions and redemptions, the subscription and redemption fees, minimum subscription amounts for the classes of shares considered, the investor profile, the fees (subscription and redemption fees, management fee, distribution fee, performance fee except for the reference benchmark, fixed TER), reference currency, net asset value days and calculation, dealing cut-off time, cut-off time for payments of subscriptions and redemptions, minimum subscription amounts for the classes of shares considered, synthetic risk and reward indicator, risks factors, financial year, dividend policy and the fixed TER of the Receiving Sub-Fund will remain the same.

For additional information, a comparison table between the key features of the Merging Sub-Fund, and those of the Receiving Sub-Fund is annexed as **Schedule 1**.

No costs and expenses resulting from the merger, including the transfer of the assets, or the termination of the Merging Sub-Fund, will be borne by the Merging Sub-Fund or the shareholders of the Merging Sub-Fund. These will be borne by the Management Company.

There will be no rebalancing of the investment portfolio of the Merging Sub-Fund as a result of the Merger.

The impact of the Merger on the Merging Sub-Fund shareholders is therefore limited.

3.2 IMPACT ON SHAREHOLDERS OF THE RECEIVING SUB-FUND

Given the similarities of the investment policy of the Merging Sub-Fund with the Receiving Sub-Fund, there will be a limited portfolio rebalancing for the Receiving Sub-Fund.

No costs and expenses resulting from the Merger, including the transfer of the assets, or the termination of the Merging Sub-Fund, will be borne by the Receiving Sub-Fund, nor the shareholders of the Receiving Sub-Fund. These will be borne by the Management Company.

There will be a very limited rebalancing of the investment portfolio of the Receiving Sub-Fund as a result of the Merger, as the investment policy of the Receiving Sub-Fund, accommodates the existing portfolio of the Merging Sub-Fund.

The impact of the Merger on the Receiving Shareholders is therefore limited.

3.3 TAXATION

The Merger will not be subject to taxation in Luxembourg. Your applicable tax regime may however be impacted by the Merger. **You are invited to consult your tax adviser as to the applicable tax consequences of the Merger based on your particular circumstances.**

3.4 COSTS

The Management Company will bear the legal, advisory and administrative costs and expenses associated with the preparation and completion of the Merger.
